## OUR VISION

To provide a first class taxi service whilst reducing carbon emissions.

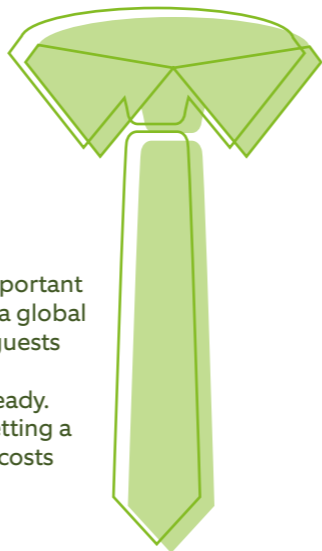

Since our start in 2009, we have grown to become the leading taxi company in the area, and we were recognised in 2015 as the UK's no.1 taxi company for our size. We have also won a number of environmental awards.

# GO GREEN MEANS BUSINESS

**Our chauffeurs are all uniformed, professional, experienced and fully CRB-checked.**

We provide a fleet of ultra-modern cars, including the latest Mercedes E Class, the eco-friendly Toyota Prius and Nissan Leaf. For groups, we also have the 8-seater Ford Tourneo.

Our corporate customers are extremely important to us, whether they are a small business or a global conglomerate. Your executives, staff and guests deserve the best and that is why so many businesses have placed their trust in us already. By choosing us, you can be confident of getting a first class service and also of keeping your costs down whilst helping the environment.

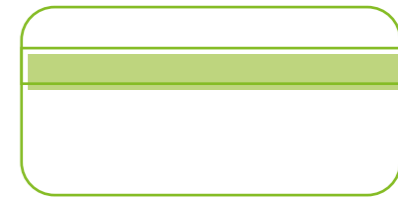

Hundreds of businesses of all shapes and sizes have placed their trust in Go Green. Let us take care of your business and experience the Go Green difference for yourself.

Our dedicated and experienced corporate team will ensure that every booking is dealt with professionally. We provide a service that is second to none!

As a business, you want to know that you will get the best possible service and value for money.

# AFFORDABLE AND CONVENIENT.

That's why we offer:

- A team of corporate travel experts*
- Our best tariffs for business*
- Priority telephone, web and app bookings*
- A professional call centre, available 24/7*
- Free, no obligation business account*
- Itemised invoicing specific to your requirements*

You can be assured of a comfortable, safe and reliable journey each time in an ultra-modern car with a professional, attentive chauffeur.

# FLY GO GREEN

We make hundreds of journeys each week to the airports for drop-offs and pick-ups. With all this experience, you can trust us to get you there on time for your flight or know that you will be picked up at the appointed time.

Our meet-and-greet service is complimentary for airport pick-ups. Your uniformed chauffeur will meet you in arrivals with a personalised airport board and will help you to the car.

Whether it's Heathrow, Gatwick, Stansted or further afield. Our chauffeurs will get you there on time or get you home in no time at all.

No hassle, no parking fees, no hidden charges.  
We take you from door to door in comfort & style. Just sit back and relax.

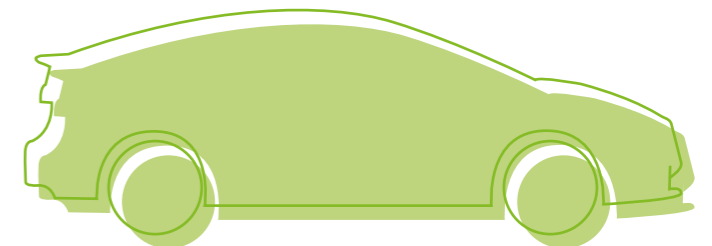

For shuttling passengers to and from events, or taking guests out for the day. Our event hire service is designed with your needs in mind.

From corporate events to christmas parties, we've got you covered no matter what the occasion.

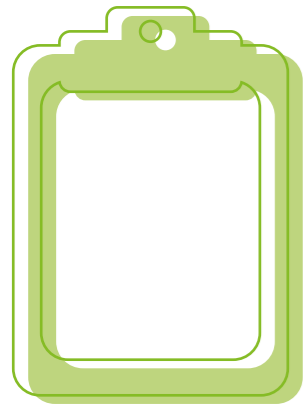

# GO GREEN FOR HIRE

For events or outings, you can hire our chauffeurs and vehicles by the hour. Ideal for taking clients out and about, for shuttle services to or from the station to conferences, or even for staff parties. Let us take all the stress out of your events.

Once you've completed and returned our form, your account can be set up in 5 minutes meaning you can start saving immediately.

# FORGET THE LONG FORMS

Here at Go Green, we know that businesses have better things to do than fill out complicated, lengthy forms. That's why our corporate accounts are focused on you. We will discuss your requirements and ensure that your needs are fully met. Our one-page form gives us all the information we need to open an account for you.

A Go Green corporate account can save you £££'s on your standard tariff. It's quick and easy, so set one up today.

At Go Green, we take our responsibility to the environment seriously. Our aim is to be emissions-free by 2020.

By choosing Go Green, you know that you have a partner who is committed to reducing your carbon footprint.

# GOOD FOR BUSINESS, GOOD FOR THE ENVIRONMENT

In recognition of any emissions that we do produce at the moment, we offset the carbon by purchasing Brazilian rainforest through the World Land Trust - 50 acres at the last count, & 2 new acres each month. We also work with schools and local communities on initiatives such as tree-planting and vegetable patches.

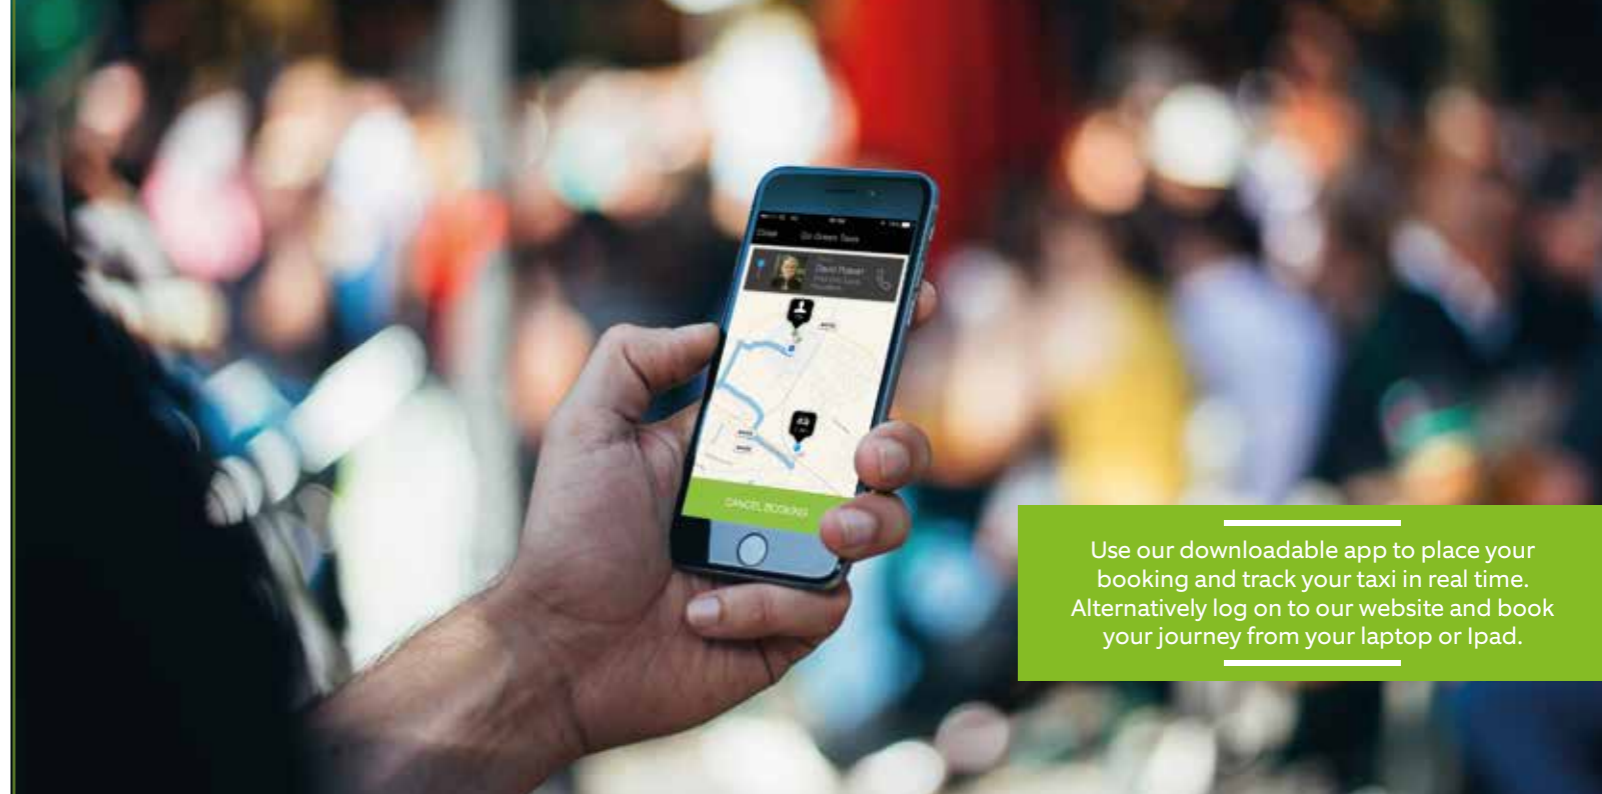

Not only do we track our cars, but we also track flights.  
So no need to worry if you are delayed or diverted.

# LEADING TECHNOLOGY! IMPROVING CUSTOMER TRAVEL

Go Green have invested significantly in new technology to provide customers with the best possible experience. We have chosen cutting edge systems to facilitate easier bookings. Greater accuracy and enhanced satisfaction. Our call centre uses state of the art software so that the booking process is fully automated. Once logged, your journey is assured.

Use our downloadable app to place your booking and track your taxi in real time. Alternatively log on to our website and book your journey from your laptop or Ipad.

With a 24hr call centre you will always have someone to talk to. We're just a phone call away.

Our highly competent & trained staff undergo a rigorous selection process, bringing you unrivalled service standards.
